## FACTORY VISIT INFORMATION

The Perazzi factory is open Monday to Friday between 8.00a.m. - 5 p.m.

Closed for lunch 12.00 pm – 1.00pm

Customers from all over the world visit to have guns serviced, have new stocks made or be measured for a new gun. Others just visit to enjoy a unique experience.

Perazzi have an open plan factory and it is possible to watch virtually all the operations in assembling the

gun, from striking off the barrels to producing the stock.

For those requiring stock fitting there is even an indoor range for the patterning to ensure correct dimensions.

A magnificent showroom and a new accessories shop complete the Perazzi experience.

The factory is in Botticino Mattina on the Lake Garda side of Brescia and close to Montechiari Airport, Brescia ( Ryanair call this Verona ! ) Alternative and more widely used airports are Milan / Bergamo, Milan, Venice or Verona. Milan/Bergamo is around a 40 minute drive and is served by Ryanair. Milan – 1 ½ Hours, Venice – 2 Hours, Verona - 45 Minutes. Carriers for these include Easy Jet and Jet 2.

If you are making the journey to the factory we recommend you stay on Lake Garda at either Desenzano or Sirmione. Hotels are quite reasonable and a huge range can be found on the internet. Suggestions are the Hotel Desenzano or the Villa Rosa Hotel in Desenzano. If you wish to stay closer to the factory then the Villa Fenaroli Palace Hotel is highly recommended for a "palatial experience at Premiere Inn prices" – NB this will need to be booked through RUAG for the best price!

Hotel Villa Rosa  
Lungolago C. Battisti, 89  
25015 - Desenzano del Garda (BS) - Italy

## THE PERAZZI EXPERIENCE - IT'S NOT JUST ANY GUN!

Buying a Perazzi is not like picking up any gun off the shelf, Perazzi offer a completely bespoke service allowing you to choose from thousands of options to make the gun that is perfect for you. This means your gun is made to feel exactly right for you, an extension of your arm – and this is why it is the choice of champions.

### Choose your Specification –

The first step in the process to getting your new Perazzi is to visit one of our Perazzi dealers.  
(See Our downloadable list of Perazzi Dealers)

Our dealers can advise you on many aspects of the buying process and help you to choose the right specification for you.

You can choose from thousands of options including:

- Calibre – 12g, 20g, 28g, .410
- Barrel – from 26 ½" to 34"
- Choke – fixed or multi, 11 points from Cylinder to X/Full
- Rib – 9 options
- Trigger – Fixed or detachable, single or double
- Action – MX8 with detachable trigger group or MX12 with fixed trigger group
- Stocks – made to your specification with your choice of wood grade
- Engraving – a large choice of engravings from MX2000 to Sideplate extra, with personalised/bespoke engravings also available
- Forend - 8 options of trap, sporting and game

Once you have chosen your options your order will be placed with the Perazzi factory and the manufacture of your gun can begin!

### Visit the Factory! –

Why not complete your Perazzi experience with a visit to the factory!

Perazzi have an open plan factory and it is possible to watch virtually all the operations in assembling the gun, from striking off the barrels to producing the stock.

## THE PERAZZI EXPERIENCE - IT'S NOT JUST ANY GUN!

Customers from all over the world visit to have guns serviced, have new stocks made or be measured for a new gun. Others just visit to enjoy a unique experience.

Above: Wood Blanks

A magnificent showroom and accessories shop complete the Perazzi experience, with the opportunity to buy gun slips, cases, and other accessories.

Upon your arrival you will be met by either Maro Perazzi or by his Sales Manager, you will then be introduced to the stock fitter. He will set the try-stock and gun to your specification and once achieved you will be taken to the indoor pattern plate where you can fire the gun, any necessary alterations can be made and once you are happy and your specification is agreed on the finished measurements will be taken.

You will then have the opportunity to choose the wood blank for your stock and depending on the circumstances you can wait whilst your stock is made - this is a process taking 2-3 hours (without chequering).

If you wish to you can come back and check the finished stock on the pattern plate again to ensure the fit and feel is to your satisfaction.

Above: Chequering is all done by hand.

Once the manufacture of your gun is complete it will be shipped to the UK and sent to your local dealer for you to collect.

Then all that remains is to  
enjoy your new gun!
