“ Thank you for organising a great event for our team! We thoroughly enjoyed the clay shooting experience – a great package that suited our needs perfectly. Our instructor was great with the perfect balance of coaching and banter to make the afternoon light hearted and memorable. Will definitely try and find an excuse to come back soon! ”

Charity Clay Shoots are a fantastic way of raising funds for worthwhile causes, whilst also giving your supporters the opportunity to enjoy a rewarding and memorable experience. Over the years we have worked closely with a number of charities to help raise significant funds through charity shooting events.

Each of our Charity Clay Shoot Experiences is arranged on an all-inclusive basis, so all you have to concentrate on is raising funds. Our experienced staff both on the ground and in our office are here to support you along the way.

Our most popular charity shoot format involves a combination of tuition and competition, which makes it accessible for all levels of experience. Charity events are normally shot in teams - maybe you wish to encourage local companies to enter, or a group of friends can join together and enter a team too.

“

Just a quick email to say a big thank you to you, and the rest of the team at the shooting ground, for a wonderful day yesterday - we have had some excellent feedback and without you and your team the day would not run half as smoothly. Looking forward to next year already!

# FREQUENTLY ASKED QUESTIONS

## WHAT CAN I EXPECT FROM A CLAY SHOOTING EXPERIENCE?

In short, to have a lot of fun! As an idea of how a typical event runs: following tea and coffee, guest are given a safety briefing and split into teams. Each group is assigned one of our friendly and experienced instructors, and then moves around the ground to shoot a number of different clay pigeon targets. We can also include a fun, competitive element which is great for team-building days.

## WHAT DO I NEED TO BRING?

There is no need to bring anything with you. The following is included in ALL our Corporate Clay experiences:

- ✓ **Professional Tuition**
- ✓ **Gun Hire**
- ✓ **Clays & Cartridges**
- ✓ **All safety equipment**
- ✓ **Public liability insurance**
- ✓ **Tea & Coffee**

## WHAT IF IT RAINS?

We have a number of covered stands so guests can enjoy the day whatever the weather.

## WHAT DO I NEED TO WEAR?

We've got gravel walkways, so no need for wellies, even if the weather is being British. Comfortable, casual clothing and reasonably sensible footwear is about all that's required. People are welcome to bring their own caps and glasses/sunglasses if they wish, though we supply caps and glasses for everyone as part of the safety equipment.

## WHAT ABOUT RECOIL?

This is a commonly asked question and many people are worried about whether shooting a shotgun will hurt. If you have an appropriate gun and are holding it correctly, it shouldn't. We use special low recoil cartridges, and have small bore guns with short stocks available for ladies. If you do feel like there is a lot of recoil, ask your instructor and we will provide an extra pad for your shoulder.
